

Independent Learning Strategies?

Mind Maps

These are a great way of getting lots of key information on one page. 'A topic on a page' which the students can revise from. It's also a good way of getting them to make links between events.

Knowledge Drop:

This could be a great task for knowledge recall from a previous lesson or a topic studied some weeks ago.

It could be a spider diagram or a list of important points.

Mnemonic:

To remember important points.

B- Blame

R- Reparations

A- Army

T – Territory

To remember the terms of the Treaty of Versailles.

Leitner Cards:

On one side write a question from your subject. This can be an examination style question. On the other side bullet point, what you would write about.

Give a Lecture:

Talk about a topic without repetition for 1 minute. The aim is to verbalise your understanding of a topic and hopefully recall lots of information.

What Does It Look Like? (Creating symbols/ storyboards/actions):

Summarise an event or topic by making a storyboard can commit information to memory.

Likewise if you can use actions or symbols to help remember key information.

Condense it:

When reading a detailed piece of information highlight or note key points.

Then condense it down further to 4 or 5 sentences or even trigger words.

Online Quizzing Platforms

...such as Anki, Memrise, quizlet, quiziz, Plickers etc. Students select a topic and create a quiz using one of these platforms.

Quizzes can also be set using Microsoft Teams
