5th March 2020

Dear Parent/Carer,

St Anne's is currently operating under the guidance issued from the Department of Health and Social Care, which can be found here:

<https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public>

Guidance is coming out almost daily from the Department for Education, and we will continue to update you as needed.

To reassure you, we are taking the following precautions:

1. Daily cleaning of tables
2. Throughout the day cleaning of handrails, door handles and other regular points of contact for hands
3. Additional cleaning materials are being ordered
4. Extra top-ups of soap in dispensers just before break and lunchtime each day in the toilet areas

In the coming days and weeks please do continue to phone the school as usual to inform us of illness, and update us of any information you receive. I will update you if any changes occur in guidance or information, issued from Public Health England or Stockport Health Authority.

Yours in Christ

Mr Dan Wright
Headteacher
