Dear parents /carers

### **Parents Evening Years 8-11 – Thursday 30<sup>th</sup> September 2021**

I hope you and your families have settled back into the new school year routine with ease. It has been a delight to welcome the pupils back to school with lessons in full swing with an energetic and positive vibe around the school site.

Further to my last communication on September 10<sup>th</sup>, may I take this opportunity to confirm that I have the pleasure in inviting you to attend a **'Meet the Headteacher and Senior Leadership Team' evening on Thursday September 30<sup>th</sup>**. This is a great opportunity for parents of children in Years 8-11 to meet my Senior Leadership Team and I.

The evening will take place in the dining hall and will commence at 6:30pm **promptly**. We will serve refreshments from 6pm. I will share with you, on the evening, a current overview of St. Anne's and my future vision and roadmap for change for this school.

We are delighted that we are now able to hold this event in school and meet face to face, but we understand that some parents may be concerned about the possible risk of spreading coronavirus. As a courtesy to other parents we would ask that your child / children do not accompany you to the event and we would encourage you to wear a mask and maintain social distancing during the evening. Of course, you are still most welcome if you are unable to do this.

Thank you for your continued support of St. Anne's as it begins its journey of change and I very much look forward to welcoming you to this event.

Yours sincerely

Mr S Logue  
Executive Headteacher
