Human papillomavirus (HPV) Vaccination consent form

The HPV vaccine protects against the human papillomavirus that can lead to some types of cancers. It is being offered to your child at their school. The leaflet that accompanies this form tells you and your child about the HPV vaccine. Please discuss this with your child, then complete the form and return it to the school before the vaccination is due to be given. To get the best protection, it is important that both injections are received over the next year, if anything changes with regards to consent or health of your child between the two vaccinations, it is important that to advise the Immunisation Team. If you have more questions, please contact the team on 07808 200426 or email on Immsteam@stockport.nhs.uk

. You can visit www.immunisation.nhs.uk/hpv for further information.

Consent forms should be signed by a person with parental responsibility.

Childs full name (<i>first name and surname</i>):	<i>Male/Female</i>	Date of Birth:
Home address:	Postcode	Telephone number for parent/guardian:
NHS number		Email address of parent/guardian
School		Year group/class:
GP name/address:		GP telephone number:

If, after discussion, you and your child decide that you do **not** want them to have the vaccine, please tick the disagree box and give the reasons for this on the back of this form. The consent form still needs to be returned to school.

• I confirm that all those with parental responsibility consent to the FULL course of 2 HPV vaccinations
I want the child named above to receive the HPV vaccination <div style="text-align: center; margin-top: 10px;"> AGREE <input style="width: 40px; height: 20px;" type="checkbox"/> DISAGREE <input style="width: 40px; height: 20px;" type="checkbox"/> </div>
Name (of parent/ carer)
Relationship to Young Person
Signature
Date
