

21st October 2020

Headteacher Mr D Wright
 M.A. (Hons) (St And), M.Ed (Cantab)

Dear Parent/Carer,

In order to develop our Remote Learning offer further we will be hosting 'live lessons' in Maths, English and Science for year 8 students this week using Microsoft Teams. The below timetable details the class code for each subject (these will match with student timetables), the time and date for their live lesson and which 'Team' the lesson will appear in. Some will be taught in the Class Team and others will be accessed by more than one class in the Year Team area.

If your child has difficulty logging into Microsoft Teams we have created 2 'how to' videos on YouTube to talk them through the process on a computer and a phone (see links below) or they can email itsupport@stannesrchighschool.com. Registers will be taken during these lessons and non-attendance will be reported to the pastoral and attendance Team. If your child is unable to access the live lesson at that time, a recording of the lesson will remain accessible in the Team.

Computer guide - <https://youtu.be/zA0840i5cMI>

Phone guide - <https://youtu.be/Jo5GmP5J19k>

Live Lessons – Year 8 timetable

Lesson	Start time	Thursday 22 nd October	Teacher to lead the session	Where to go to for the live lesson
